

Description

Steam cleaners are powerful enough to lift heavy stains, dislodge encrusted dirt and melt away grease that can linger in hard-to-reach areas. It's the perfect solution for deep cleaning the inside of your oven! Dupray commercial-grade steam cleaners feature variable pressure controls, which adds to their versatility.

Technical Specification

Steam Temperature	128 Deg co
Water Tank	2.2 Ltr
Steam Pressure	4 bar
Power	2000 watt
Voltage	230v
Weight	8.4 kg
Pre Heating Time	10 mint
Material	ABS
Size	48 x 33 x 34cm
