

Description

Jet Wash & Wax contains foam boosters which lift contaminants and disperse oil, grease and other dirt away from the vehicle surface, safely removing it. Contains Carnauba wax to leave a high shine, protective layer over the car. Perfect For: Touchless pre-washes.

Features

- **Touchless Pre-Washes:** Power Maxed Car Jet Wash & Wax is the ideal pre-wash for various vehicles, ensuring that contaminants are removed with minimal contact, preserving the integrity of your car's finish.
- **Wash and Wax All Vehicles:** Our versatile formula is suitable for all vehicles, from cars to trucks, and even recreational vehicles. Experience a touchless and effective pre-wash that sets the stage for a stunning finish.
- **Perfect for Jet Washers:** By adding this formula to your jet washer, you can effortlessly achieve a touchless clean, making your car-cleaning routine quicker and more convenient.
- **Removes Tough Contaminants:** Whether it's road salt, grit, bugs, tree sap, or stubborn dirt, our formula excels at lifting and dispersing these contaminants, leaving your vehicle immaculate.
